

Central Baptist *Full day* PRESCHOOL

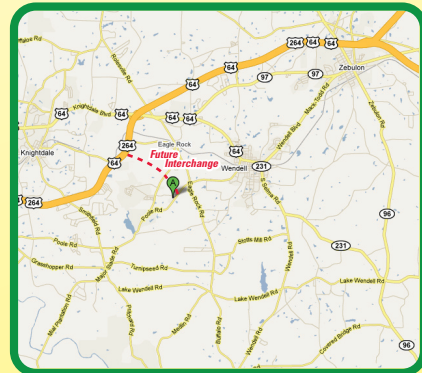

CHRISTIAN PRESCHOOL

Classes start August 30th

New in 2010, Central Baptist Preschool consists of spacious learning areas, with additional room to expand.

Most notably, we are the only full day, christian preschool serving infants to four year olds in Eastern Wake County, giving parents an alternative to traditional daycare options.

It is our mission to help children learn about GOD, worship and reach out to others around them, while providing foundational learning skills to grow on.
